Creative and detail-oriented 2nd-year Computer Science student with hands-on experience in video editing and design. Serving as the Head of the Editing and Designing Team at college, skilled in producing short-form videos, reels, and promotional content while ensuring brand consistency in style, tone, and color. Proficient in adapting content for multiple platforms including Instagram, and YouTube Shorts. Passionate about creating engaging visual content and eager to apply creativity and technical skills in digital media projects.
